Thank you for your letter dated January 31, 2022. I apologize for any lack of clarity on my part, but we will not negotiate on penalty separately from the compliance order. If you wish for us to consider your proposed modifications to our initial settlement offer as embodied in the draft consent agreement, please send us your comments on the remainder of the draft agreement by close of business February 11, 2022.

Please feel free to call with any questions.

Sincerely,

Chuck

Chuck,

Attached as we discussed is PSCo's response to EPA's proposed consent agreement and penalty relating to our Comanche facility. Once you have had an opportunity to review, I assume we will discuss appropriate next steps.

We look forward to our ongoing discussions and remain hopeful that we can resolve these matters through agreement.

Jon
